Your Instructors

Starr Fuentes

After decades of study with shamans, healers, Curenderos and Masters, Starr Fuentes has dedicated her life to helping others with the full unfolding of their purposes, paths and destinies. A master healer, spiritual teacher and intuitive, Starr teaches more than 400 subjects, and has guided countless individuals down the path of healing, self-awareness and truth. She combines the use of modern psychological tools with ancient healing and shamanistic traditions, presenting a fountain of information in a teaching style that is animated, dynamic, and full of life. She has trained over one-hundred teachers who continue to spread her alternative healing wisdom throughout the United States, Europe, Israel, Brazil, Australia, Canada, and Asia.

Selena Rodriguez

Selena Rodriguez is a master teacher and international seminar leader with over 30 years of teaching experience on 6 continents. Selena has studied with numerous teachers, and began learning intensively with Starr in 1995. In 1999 she launched the lineage teachings to audiences worldwide by bringing the teachings to Europe. Selena is a master spiritual teacher and a respected elder of the 24th generation in an unbroken Mayan lineage that originated in Southeastern Mexico. Her depth of spiritual study and transformation is reflected in every aspect of her work. Selena speaks over 5 languages and teaches a plethora of lineage classes in addition to her own signature works.
